Dear Sir:

Re: [REDACTED]
IMM-1 [REDACTED]-22

Please be advised that the Respondent is willing to settle this litigation on the following terms, if the Applicant discontinues her Application for Leave and Judicial Review in IMM-1399-22:

1. The December 15, 2021 decision of the visa officer refusing the Applicant's study permit will be quashed, and
2. The Respondent will refer the Applicant's study permit application to a different visa officer for re-determination, and
3. The Applicant will be provided an opportunity to submit updated documentation in support of her application, and
4. There will be no costs to either party.

Canada 

If this agreement is acceptable to your client, please serve and file a Notice of Discontinuance as soon as possible. Please inform me once you have filed this document with the Federal Court and I will let my client know that your client has accepted the offer and that her study permit application is to be re-determined.

Please also note that there may be delays in processing this re-determination due to the ongoing impacts of COVID-19 on operations.

Sincerely,
